Company Policy

Nowadays, our company is improving our Quality Policy Framework, focusing on the Safety Management aspect, according to what is specified inside the SQAS profile requirements and details.

Our main operando is based on the best performance with the best care of some specific skills that concern Security, Health, Safety, BBS and together with CSR's attitudes.

Our Core ambition for this reason is our Customer satisfaction, performing better and better, in order to put a significant sign inside the Chemical Transportation Market.

This is why our Company define its general Policy sticking to what follows:

- International laws and regulations;
- Iso 9001:2008 requirements;
- Cefic and Sqas Guideline.

To each purpose, our Company is allied with the Quality Policy and each Management review is fully illustrated to our staff to gain the awareness about every company's change.
